

PLANNING APPLICATIONS

CHIDDINGSTONE PARISH COUNCIL

MARCH / APRIL 2026

Date Received	Application Number	Deadline for Comments	Application Address / Description	Case Officer	Parish Council Response
weekly list	SE/26/00665/ PATCF	N/A	Land North West of Vexour Bridge, Hampkins Hill Road, Chiddingstone Prior notification for a temporary campsite. This application is made under Class BC of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended).	Ashley Bidwell	No comment.
23.03.26	SE/26/00434/ FUL SE/26/00435/ LBCALT	15.04.26	The Wheatsheaf, Hever Road, Bough Beech TN8 7NU Demolition of existing storage buildings, alterations to existing canopy and erection of a proposed outbuilding with new path and retaining wall. Relocation of shed with new steps. Associated hard and soft landscaping.	Christopher Park	Support.
01.04.26	SE/26/00515/ LBCALT	23.04.26	Tudor Cottage, 6 The Village, Chiddingstone TN8 7AH External structural remedial works including partial dismantling and rebuilding of a compromised retaining brick garden wall.	Abbey Aslett	Chiddingstone Parish Council fully supports the proposed structural remedial works to the historic garden wall. However, we would prefer to see a more sympathetic alternative than the reinstatement of the existing 1.3m wooden privacy fencing, which we feel is out of keeping with the Grade II listed building setting and the Chiddingstone Conservation Area. Would it be possible to secure by condition a more historically sympathetic boundary treatment, such as traditional woven willow/hazel hurdles, close-spaced cleft chestnut paling or the re-planting of a
10.04.26	SE/26/00751/ WTPO	N/A	Chiddingstone Castle, Hill Hoath Road, Chiddingstone TN8 7AD Large Willow tree. Fell to ground level because the willow has outgrown its location posing a risk to neighbouring property and utility's, leaving stump in situ.	Daniel Joyce	No objection.
13.04.26	SE/26/00603/ MMA	05.05.26	Land North of Highway Depot, Tonbridge Road, Chiddingstone Causeway TN11 8JL Amendment to 24/01501/FUL with following on site investigations in coordination with utility company Southern Water it has been establish that a distance of 4m from the roadside boundary is required. This distance is require to meet safety requirements, due to a nearby rising main running along the boundary of the site	Christopher Park	No comment.
